4.1.3

The college has adequate IT facilities for strengthening the teaching and learning process. Therefore our campus is upgraded with all the necessary IT facilities. The computer lab is equipped with computers with required software and antivirus. LCD projector classes are available to provide effective teaching for the students.

All faculties are provided with individual systems. Faculty members are using power point presentations, videos etcetera in the class rooms to enhance learning. Scanners, printers, Xerox facility is available and faculty members can use this facility for official purpose also. The college campus is WI-FI enabled.

The college campus is under CCTV surveillance to ensure transparency as well as safety to all its members. The labs have LAN facility. In order to provide high quality speed of network, the college has two broad band connections- BSNL with greater than 35 Mbps speed.

1. Computer laboratory
