In this quiz series questions were taken which would be useful for different exams like Talathi Pariksha, MPSC, UPSC, etc.

Total 20 questions were given in this quiz series. In these questions, some questions related to Noun, some related to Pronoun, some related to opposite words and some questions were given on articles and vowels. Students responded very well to this quiz series. A total of 77 students participated in this. This quiz was of 20 marks.

Two sections were made in the quiz series. In the first section all information like name, mobile number, class, mail-id, of the students was taken. Questions related to competitive exam were given in the second section.

Objectives of the Programme

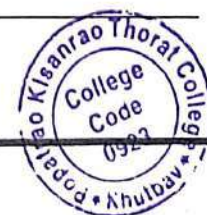

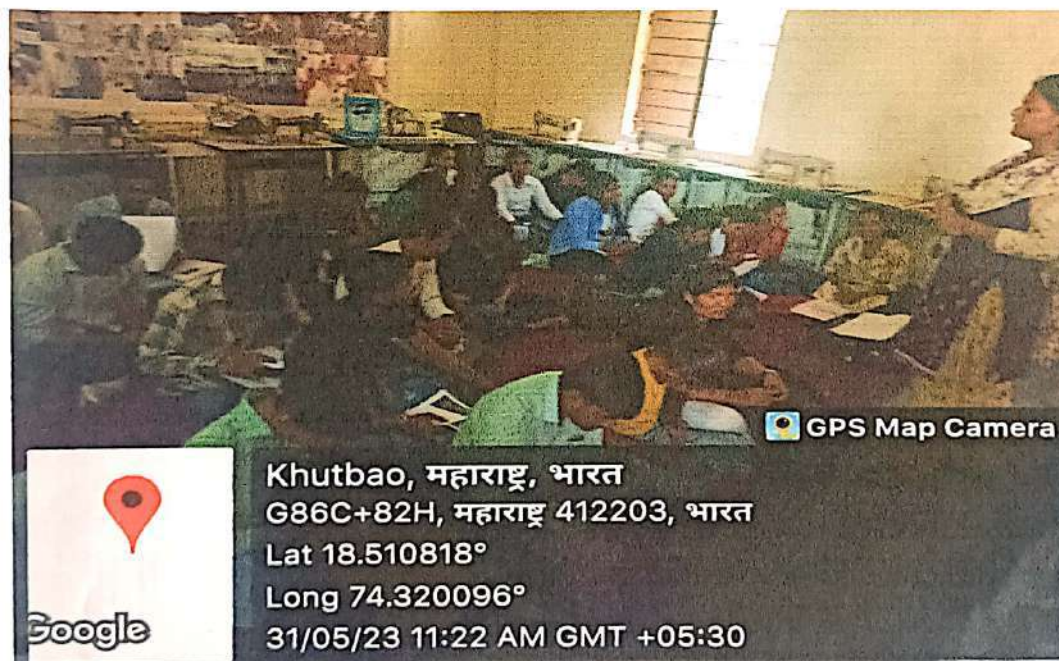

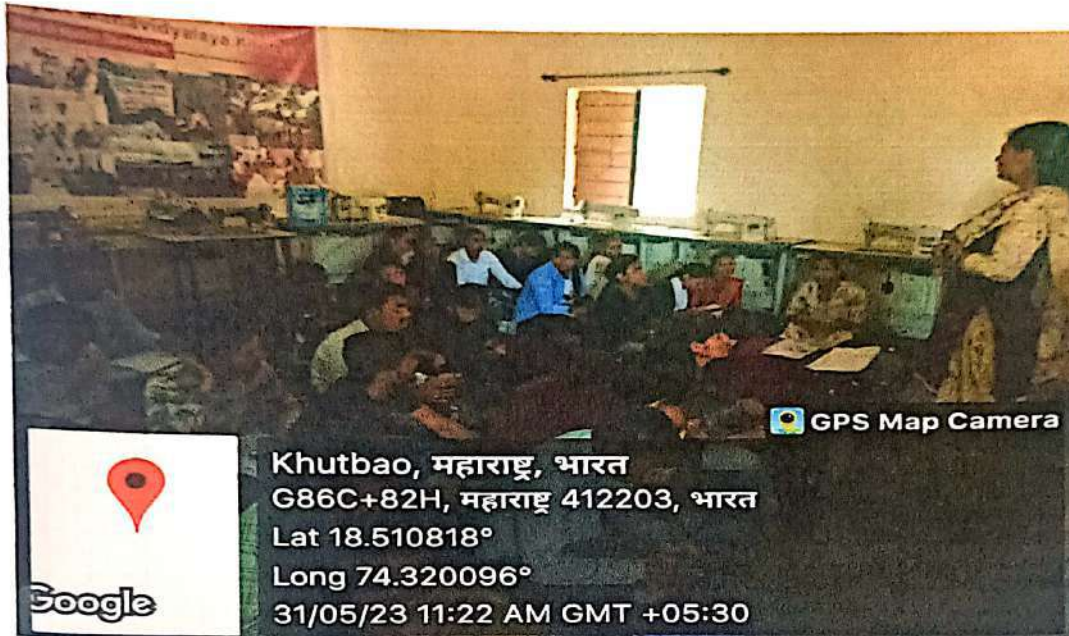

- 1) To provide academic facilities to the students aspiring for Central and State service examination such as MPSC, UPSC, etc.
- 2) To guide students for competitive exams.
- 3) To make students competent to attend competitive exams.
- 4) To create awareness among students about their social and civil responsibilities.

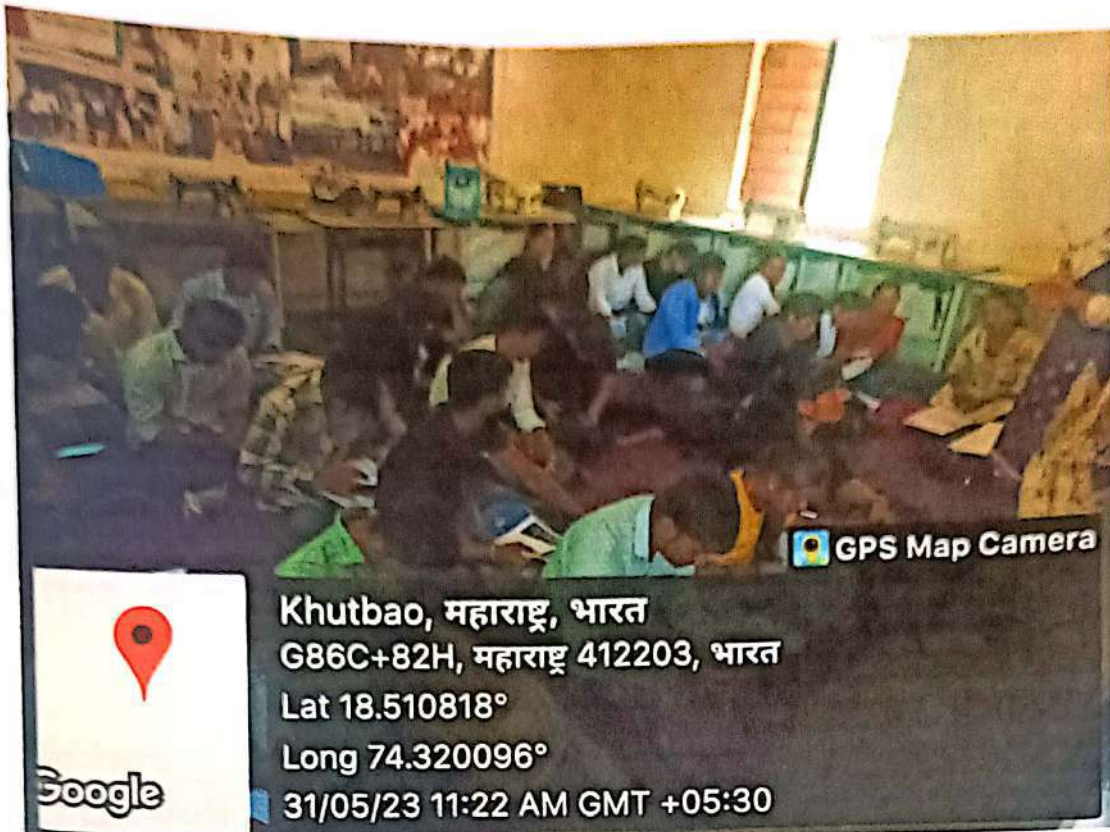

Outcomes of the Programme

- 1) Students understand all about competitive exams.
- 2) Students were prepared for the competitive exams. The students got the confidence they needed for that.
- 3) Students understood all syllabuses for different types of competitive exams.
- 4) Students understood the important of their future life.

Report

Date- 15 July, 2023

A career guidance one day workshop was organized by competitive exam and career guidance committee in the college in July, 2023. Accordingly; it was planned in Popatrao Kisanrao Thorat College, Khutbao. The main objective of the program was to provide students proper way to their career after completion of degree. Also this workshop was organized for the students to find the right path after completing their graduation. As decided above, all the teachers instructed all the classes about one day workshop. Asst. Prof. Prajakta Nimbalkar informed all the teachers and students about that workshop.

According to this not only just commerce students but all students of all faculties were present for this one day workshop. The workshop was started at 2.45 pm. Asst. Prof. Dipti Satav moderated the program. Dr. Sunita Bankar introduced the guests and request them to guide the students. For this workshop Dr. Ajita Deshmukh was the lecturer. She is Program Leader, M.Sc. e-learning School of Education and Research MIT-ADT University, Pune. And Mentor and Hub coordinator of Open Education for Better World (UNESCO Project by University of Nova Gorica, Slovenia). Dr. Aajita Deshmukh guided the students very well about career. She even gave all the guidance as to how many and which parties there are while making online payments and what are the career opportunities in each of those fields. She told the students about the career opportunities in the small sector. She also explained to the students the difference between start ups and companies. She encouraged the students a lot.

A total of 85 final year students attended this one day workshop. Asst. Prof. Vikas Dhumal gave vote of thanks at the end of the program and The program was concluded at 3.45 pm.

Placement Cell activities for 2022-2023 started early in August 2022 which comprises of the following. The placement preparation for the students starts off early in the second year for the Undergraduates as the students have to mandatorily undergo a campus recruitment training (course).

This course comprises of quantitative aptitude, logical reasoning, verbal ability and soft skills training which ensure that the student is prepared for the 1st round of the placement process.

Career counseling sessions (number of sessions are based on the student's requirement) are provided to students to help them identify their career path and also ensure that they are focused in the right direction with regards to their career based on their caliber, scores, interest areas and long term forecasting.

Career guidance sessions by the industrial experts which include the senior manager and leaders from the corporate world.

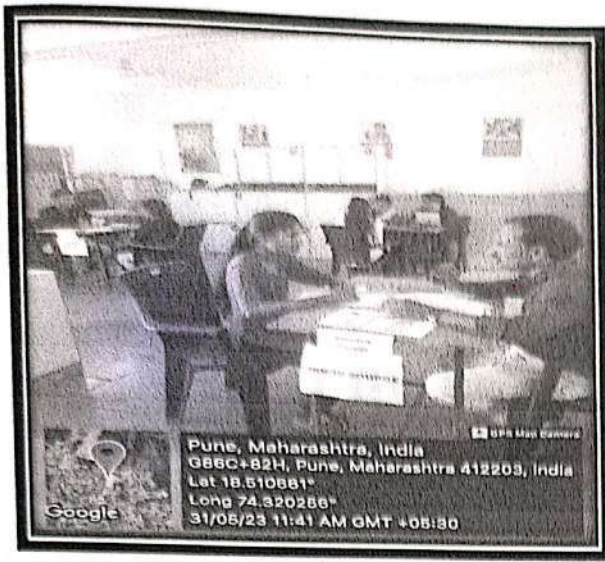

The topic covered by the industrial experts range from soft skills, 10 steps to be successful in the corporate world, campus to corporate- A transformational journey, Challenges of the corporate world.

There were campus ambassador programs which are encouraged by the placement cell, where the students get an opportunity to visit the company after the selection process is conducted by the company and also these students have various training programs conducted by the company.

The campus ambassadors organize various training programs for other students at college (excel, soft skill session, motivation talks etc) and also brand the company for which they are selected for on campus, which gives an opportunity for the students to understand the company's strategies and implement the same.

There were scholarship competitions that are organized by various companies which are encouraged by placement cell, where the students get an opportunity to compete (presenting business plan) and win a cash award and also an internship with the company for a period of two months.
