**.Degradable and non-degradable waste**

The institution excels in managing a wide spectrum of waste, aligning with the highest environment standards, ensuring the well-being of the the community and surroundings, the college maintains a robust infrastructure. Various waste segregation bins are strategically placed across the campus, promoting responsible disposal by staff and students. Regular awareness programs and training ensure a waste-conscious community.

Liquid waste management stands as a testament to the institution's commitment. Advanced sewage treatment plants effectively treat and recycle wastewater, reducing the environmental footprint. biomedical waste is diligently managed through dedicated, state-of-the-art facilities, guaranteeing the safe disposal of medical waste generated on the premises.

The managemet of E-waste is commendable, with a well-structed program for collection and disposal of electronic waste, often partnering with certified e-waste recyclers. Waste recycling is an integral part of the institution's ethos. Multiple recycling centres, paper, plastic and glass collection points encourage a culture of sustainability.

Hazardous chemicals and radioactive waste are handled with utmost care and compliance with regulatory guidelines. The institution follows stringent protocols for labeling, storage and disposal safeguarding against environment and health risks.

Basically, the institution excels in waste management across various categories, promoting a culture of environmental responsibility. The efforts undertaken by the institution are refelective of its commitment to sustainability, health and safety.

Mr. Nitin Kutwal  
Owner [ Mahalakshmi scrap centre ]  
Kedgaon , 412203

**Subject:** Formal donation of college scrap materials to Mahalakshmi Scrap

Centre.

Respected,

**Mr. Nitin Kutwal (Mahalakshmi Scrap Centre)**

We are writing to inform you of our college's decision to donate a substantial amount of scrap materials to your esteemed recycling centre, (Mahalakshmi scrap centre). We are excited about this opportunity to contribute to your recycling efforts. Our college has accumulated a diverse range of scrap materials, including office furniture, outdated and nonfunctional electronics, damaged classroom equipment, miscellaneous metal and plastic items. We are eager to partner with your centre to ensure these materials are recycled and repurposed effectively. We kindly request your assistance in facilitating this activity. Specifically, we would appreciate guidance on preferred methods for delivering or arranging pickup of the materials and your availability and schedule for coordinating this activity. Please consider this letter as our formal commitment to this activity, and we look forward to your positive response. We believe that your recycling centre's expertise will ensure these materials are recycled responsibly.

Thank you for your dedication to environmental preservation, and we eagerly await your response to move forward with this activity.

Sincerely,  
Principal
